25X1 1. An old airfield was near the small village of Mirowslawice (P 51/H 39), just west of the Schweidnitz (P 51/H 18) - Breslau road, and exactly 27 km from Breslau. It has been unused and in poor condition since the end of the war. *

2. In late September 1950 **Russians** were doing reconditioning work at the field. Completed hangars and runways were seen. More buildings were being constructed on the edge of the field, far from the road. **

25X1 * Comment. This is the first report on the Mirowslawice airfield, the former German Rosenborn home field. Rosenborn was named Mirowslawice by the Poles. The location reported is correct.

25X1 ** Comment. There was formerly no runway at the field.
